

At NAPD, we seek bright, talented, and compassionate candidates from many different backgrounds. If you have found yourself here, you may want to ask yourself the following questions:

- Is your current job not fulfilling?
- There's a paycheck but you're still left with a desire to do more with your life?

Maybe we can't match that paycheck but we can offer a job with meaning. We offer full benefits, ten paid holidays a year, and a monthly bonus. NAPD is a forty-seven year old company with seventy-two employees. We offer full-time work, year-round, Monday through Friday, 8:00am to 3:30pm. No evenings, no weekends, no holidays.

We are not offering a job so much as we are offering a career.

Here are the requirements:

- You are disciplined enough to show up everyday and on time, no excuses.
- You have both common sense and a sense of humor.
- You treat your fellow employees with kindness and you are a team player.
- You can survive two whole hours without having to check you Facebook page.
